20402 N. 15th Av

Welcome!

During the 2022-23 school year, the Bond/Override Citizen Advisory Committee developed a recommendation to call for a continuation of the existing 15% M&O Override as well as a new \$325 million bond authorization. Unfortunately, both of those measures did not pass in November 2023.

We are asking the previous committee members, along with anyone else that may be interested, for input regarding the educational and building needs of the District. This committee will allow more stakeholder input in determining the financial plans, including possible future elections, for our District. The committee will be comprised of various stakeholders, including two parents from each high school region (with a strong preference for each school configuration type to be represented), a representative from each of our recognized employee groups, a representative from the Deer Valley Education Foundation, a representative from our parent organizations, a business partner, and a representative from our Interfaith Council.

If you are interested in serving on this committee, or if you have further questions about this committee, please contact Mr. Jim Migliorino, Deputy Superintendent and Bond/Override Citizen Advisory Committee Chairperson at jim.migliorino@dvusd.org. Interested volunteers will be asked to complete the DVUSD Committee Volunteer Application Form and email that to Mr. Migliorino.

Respectfully,

Jim Migliorino
Deputy Superintendent of Fiscal & Business Services
